

## FOR VOLUNTEERS

Welcome and thank you for volunteering with **REBUILDING TOGETHER!!**

### YOUR MORNING SCHEDULE:

- Come on time ready to work at 8:00 AM.
- Wear clothing that you do not mind getting paint on. Wear comfortable shoes with covered toes.
- Wear your Rebuilding Weekend t-shirt—it's the best way for everyone to know you're part of the team and you belong on site.
- All tools are normally provided, but if you want to bring a favorite brush or requested tool, be sure to have them labeled with your name.
- Be sure you have SIGNED A WAIVER and received a NAME TAG
- You will be assigned to a project/task based on needs of the site, number of volunteers present and hopefully, your interests!
- If you finish your assigned task, check in with the captain and find out where else you can be helpful.
- Take short breaks to reserve your energy.
- ABOVE ALL...WORK SAFELY!

### YOUR AFTERNOON SCHEDULE:

- After lunch, only finish what was started in the morning.
- DO NOT START ANY NEW PROJECTS!
- Begin clean-up at 2:30

### OTHER INFORMATION:

Be sure you know where the following are located:

- The bathroom – at homes usually a Port-A-Potty outside
- First-Aid kit – the Safety captain will know where it is
- Extra supplies – brushes, buckets, etc.
- Garbage piles – make sure you're clear on how they're organized ...metals with metals, wood with wood, etc. **DO NOT THROW ANYTHING INTO THE DUMPSTER WITHOUT 1<sup>st</sup> CHECKING WITH CAPTAIN!**
- You join hundreds of thousands of volunteers working this weekend all over the country!!

Have questions during the workday?

Your Project Leader and Construction Coordinator will identify themselves in the morning. They'll be wearing colored t-shirts so you can find them easily. If something is unclear, be sure to clarify the information before you start anything!

**Thanks again and have a GREAT, FUN day!!**
